F. Douglas and Caroline Smith  
1451 Valley Center Road  
Monterey, VA 24465

Dear Mr. & Mrs. Smith,

Enclosed is a drawing showing an area Southwest of Monterey, Virginia located in Highland County. Shenandoah Valley Electric Cooperative has an existing overhead power line along Valley Center Road, just off the Mill Gap Road. The cooperative is making an inquiry with property owners for the possibility of extending our power line along Distant Lane and continuing to the end of this road for any future request of power.

If you would be willing to work with the cooperative in allowing us permission to extend our power line through your property along Distant Lane, please sign below as shown. Please return one copy of this signed letter to us and keep the other copy for your records.

If you have any questions, please contact me at 540-574-7253.

Thank you for your consideration in this matter.

Sincerely,

G. Dale Dove  
Manager of Field Services
